School of Marketing
 Building CM05
 Block C, Level 2, Room 2.02

Although the School is located in block C, it's easiest to enter via block D.

Proceed North along Quay St, past the café to almost the north end of the building (see also photo below). Go in the last door (level 1) then up the stairs to level 2, and look for the sign at the top of the stairs to "School of Marketing" which directs you south along a 20 metre corridor to the entrance to the School.
