Effective Qualitative Research

EXCLUSIVE SESSION FOR FULL-TIME UTS STAFF AND STUDENTS ONLY*

PRESENTED BY PROF DAVID SILVERMAN, Professor Emeritus in the Sociology Department at Goldsmiths College and Visiting Professor in the Management Department at King's College, University of London.

If you are an early career academic, a PhD student or you are involved in qualitative research, you cannot miss this course. This course provides hands-on guidance on completing an exemplary qualitative research project, with practical advice on the criteria used in the publication of qualitative research. Registrants will participate in lectures, workshops and one-to-one feedback sessions

This is a practical and engaging program, allowing participants the opportunity to hone their skills in qualitative research by applying classroom knowledge of different methodologies to actual data.

Presented by world renowned academic Prof David Silverman, this program has been developed from his 25 years' experience in teaching introductory workshops for researchers and postgraduate research students, Concepts and Methods of Qualitative Research for Masters students and an undergraduate program in Qualitative Research. This program is a collaborative presentation involving Prof David Silverman and the Centre for Management and Organisation Studies (www.cmos.uts.edu.au).
